Noah Wiedenfeld
Management Analyst
City of New Richmond

Northwest Telcom has redundant fiber facilities through-out the Business and Technical Park in the City of New Richmond.

Listed below are the services offered-

DS0 thru DS3 Traditional TDM services
SIP Trunking
POTS services
PRI's
Data/Ethernet Connections of 5Mb-Gig-e
Point to Point Ethernet Connections of 5Mb-Gig-e
Access to the WIN network (Statewide fiber Network that can connect you to most Cities and Towns in The State of Wisconsin)
All services would be on a 100% Fiber Network

Thank you,

Greg Cardinal
